FREE TAX PREPARATION: 2004 GLOSSARY

Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) Sites:

VITA sites assist low-income, non-English speaking, individuals with disabilities, and senior citizens with free income tax preparation. Generally, you must make less than \$35,000 to qualify, however income limitations will vary by site. Forms and schedules that may be completed are limited to the volunteer's training level. Many sites offer free IRS *e-file* (electronic filing), free bank accounts, financial education, and bilingual assistance.

Listed as VITA or TCE under Site Type.

AARP TAX-AIDE Sites (AARP):

TAX-AIDE sites assist low-income, non-English speaking, and senior citizens with free income tax preparation. Forms and schedules that may be completed are limited to the volunteer's training level. Many sites offer free *e-file* and bilingual assistance.

Listed as AARP under Site Type.

Electronic Filing Sites (IRS *e-file*):

Offer free federal and state electronic filing to taxpayers if they qualify for VITA or TCE tax preparation. **Both taxpayers must be present to sign if filing a joint return.** Refund and balance due returns may be e-filed.

Sites offering *e-file* indicate YES next to IRS *e-file*.

Earned Income Tax Credit (EITC):

All VITA, TCE, and AARP sites offer assistance to individuals who qualify for EITC. Taxpayers need to provide proof of Social Security Numbers for those listed on the tax return. **Taxpayers with Individual Taxpayer Identification Numbers (ITINs) do not qualify.**

To find out if you qualify for EITC call (303) 83-CALL7 in Denver or 1-800-829-1040 nationwide.
